

Notice to Owners Preliminary to Issuance of Tax Deeds.

To whom it may concern, and the unknown owners of the hereinafter described town lots, located in the towns of Apache, Bridgeport, Lookaba and Hydro, and which lots were duly advertised and on the Twentieth day of November, 1906, were duly sold to the County of Caddo, State of Oklahoma, in the manner provided by law for the delinquent taxes due thereon for the year 1904. That said County Treasurer issued to said county certificates of sale therefor which have been held continuously by said county for a period of more than three years from the date of such sale, and no person having offered to purchase the same for the taxes, penalties and cost due thereon, and said lots now remain unredeemed from said sale:

Now, therefore, I, Ed M. West, County Treasurer of Caddo County, State of Oklahoma, will, on

MONDAY, THE 18TH DAY OF OCT. 1909, between the hours of one o'clock and four o'clock p. m., of said day, at the Treasurer's office in the court house of said Caddo County, offer for sale at public auction to the highest bidder for cash, the following list of Lots located in the Towns, County and State above mentioned.

The undersigned, County Treasurer, will execute to the purchaser at such sale his heirs or assigns, a deed of conveyance which shall vest in the Grantee an absolute estate, in fee simple, so far as the said County Treasurer is empowered by law to sell and convey the same.

ED. M. WEST,
Treasurer of Caddo County.
C. T. WILLIS, Deputy.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative. BABY'S ITCHING WAS INTOLERABLE

Girl of Six Months had Fearful Attack of Eczema—Spread All Over Her Face and Eyes Began to Swell—Scratched Till Blood Came—Relieved in a Night and

CURED BY CUTICURA AFTER LONG SUFFERING

"When my little girl was six months old I noticed small red spots on her right cheek. I did not pay any attention to them but finally the spots grew so large that I sent for the doctor who said it was ringworm. He prescribed an ointment which I used for two weeks, but instead of helping the eruption the ointment seemed to make it worse. Then I went to a second doctor who after examining the baby said it was eczema. He also gave me an ointment which did not help either. The disease in the meantime spread all over the face and the eyes began to swell. I became very anxious. The itching grew intolerable. I had to tie the baby's hands to the cradle to prevent her scratching. The cheeks were covered with blood and it was a terrible sight to see. I consulted doctors from September to December, but they were unable to cure the baby. I paid out from twenty to thirty dollars without relief.

"One of my friends told me of the Cuticura Remedies and I sent at once for a set which I began to use that evening. The next morning the baby's face was all white instead of red and you can imagine how surprised I was. I cannot find words enough to praise Cuticura and I do not know what would have become of my baby only for it. I used the Cuticura Remedies until the eczema entirely disappeared. The child is now three years old and quite well. I used three cakes of Cuticura Soap, two boxes of Cuticura Ointment and one bottle of Cuticura Resolvent and I never use any other soap. I always recommend them whenever there is a chance for doing so. I will send you one of her pictures which she had taken just after she was healed. Mrs. E. E. Gumbin, Sheldon, Ia., July 13, 1908."

Cuticura Soap (25c), Ointment (50c), Resolvent (50c), and Chocolate Coated Pills (25c), are sold throughout the world. Put on Drug & Chem. Co., Sole Props., 127 Chestnut Ave., Boston.
